1	Biopsychology Discussion Forum Welcome to the Biopsychology Discussion Forum!	2	
2	Chapter 1 - History and Methods Submit your discussion points for Chapter 1 here.	2	

Feel free to post questions to your instructor and your peers using this board. You can discuss any topic, react to lectures and videos, ask questions about administrative details, gripe about your professor... ok may be not so much..

Click on a link to a pre-existing thread or click the plus thread button to start your own

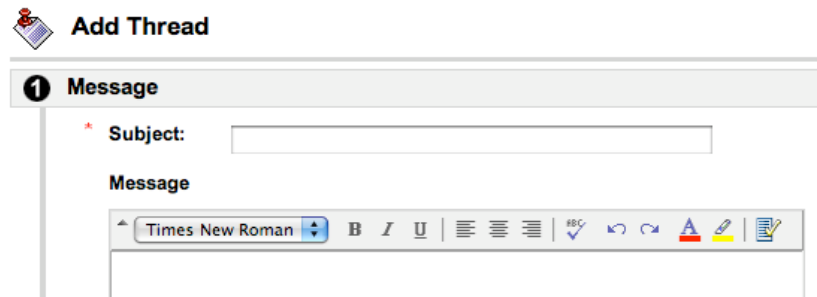

Course Discussions: Chapter 1 - History and Methods

Message

Times New Roman B I U [List Icons] [Color Icon] [Link Icon] [Image Icon]

You can also save a draft and edit it and submit it later using the Save button.

You can subscribe to threads (receive an email every time someone responds).

Recommendation: Submit your discussion points at least six hours before they are due. I am not responsible if blackboard crashes or the server is not available when you attempt to submit. The discussion board will close at the deadline and there will be no way for you to submit any comments to it.
