

FOR STUDENTS HOPING TO PETITION ANY OF MY PHILOSOPHY 3 CLASSES:

Thank you for your interest in the class. As the state budget crisis has severely limited class offerings, here are your options:

- 1) Put your name on the priority add list if there is one. If there is no priority add list, you may wish to send your queries about that to Admissions and Records;
- 2) Check the registration system often to see if a space has opened up in the class;
- 3) If you are interested in the in person class, come to the first meeting.
- 4) If you are interested in an online class, e-mail me on the second day of class if you are still interested but have not been able to register. If you do not e-mail me the second day of class, I will presume that you have lost interest in taking the class. If there is any room in the class and there is not a priority add list, students will be added in the order that you e-mail me starting the second day of class. If there is a priority add list, students will be contacted based on the order of their appearance on the priority add list.

Thank you for your understanding, and I wish you the best of luck in obtaining your classes.
